Hey Commander Cohen,

I hope the week has been treating you well!

Our permitting team is working on getting the paperwork submitted for Best Western Plus Big America. I know you mentioned something about waiving the permitting fees for Max so I wanted to clarify what the best process was here.

We have the paperwork and are ready to submit it, is there someone we should be connecting with directly regarding those, or what's the best way to approach this?

Thanks in advance!

Best, Sara
